9 a.m. – 12 p.m.

Directions: Take Mammoth Road to Sargent Road
to the Nelson Road Fields

According to the EPA Americans generate 1.6 million tons of household hazardous waste per year. The average home can accumulate as much as 100 pounds of household hazardous waste in the basement or garage and in storage closets. Please ensure proper disposal of these items by attending the Household Hazardous Waste Collection Day.

For more information about Hazardous Waste in your home visit :
